Re: John Brahy  
Brahy Insurance Services, Inc.

To Whom It May Concern:

We have known John Brahy for a relatively short time - about one year and a half, but, in that time he has proven to be extremely helpful, knowledgable and professional. He knows his business well.

In the past, we have sat through hours of meetings with insurance men. Long draining meetings.

Our meeting with John was actually pleasant. He answered our questions in language we could understand, He got us good comparisons so we had something to choose from....and best of all...

WE HAVE INSURANCE!!!!

What can I say, we love the guy.

Sincerely

Judy Barraza
